Reel: Same as Plug Accuracy.

Line: For 7.5gr. Plug Minimum diameters 0.18 mm, no minus tolerance allowed, but with the same diameters in the whole length. Leader prohibited.  
 For 18gr. Plug Minimum diameters 0.25 mm, no minus tolerance allowed, but with the same diameters in the whole length. Leader minimum diameters 0.35 mm, no minus tolerance allowed. Minimum length of the leader, at least one complete turn on the reel when ready to cast. (Only monofilament allowed, Braide line e.g. FireLine, Micron, SpiderWire, .....prohibited.)

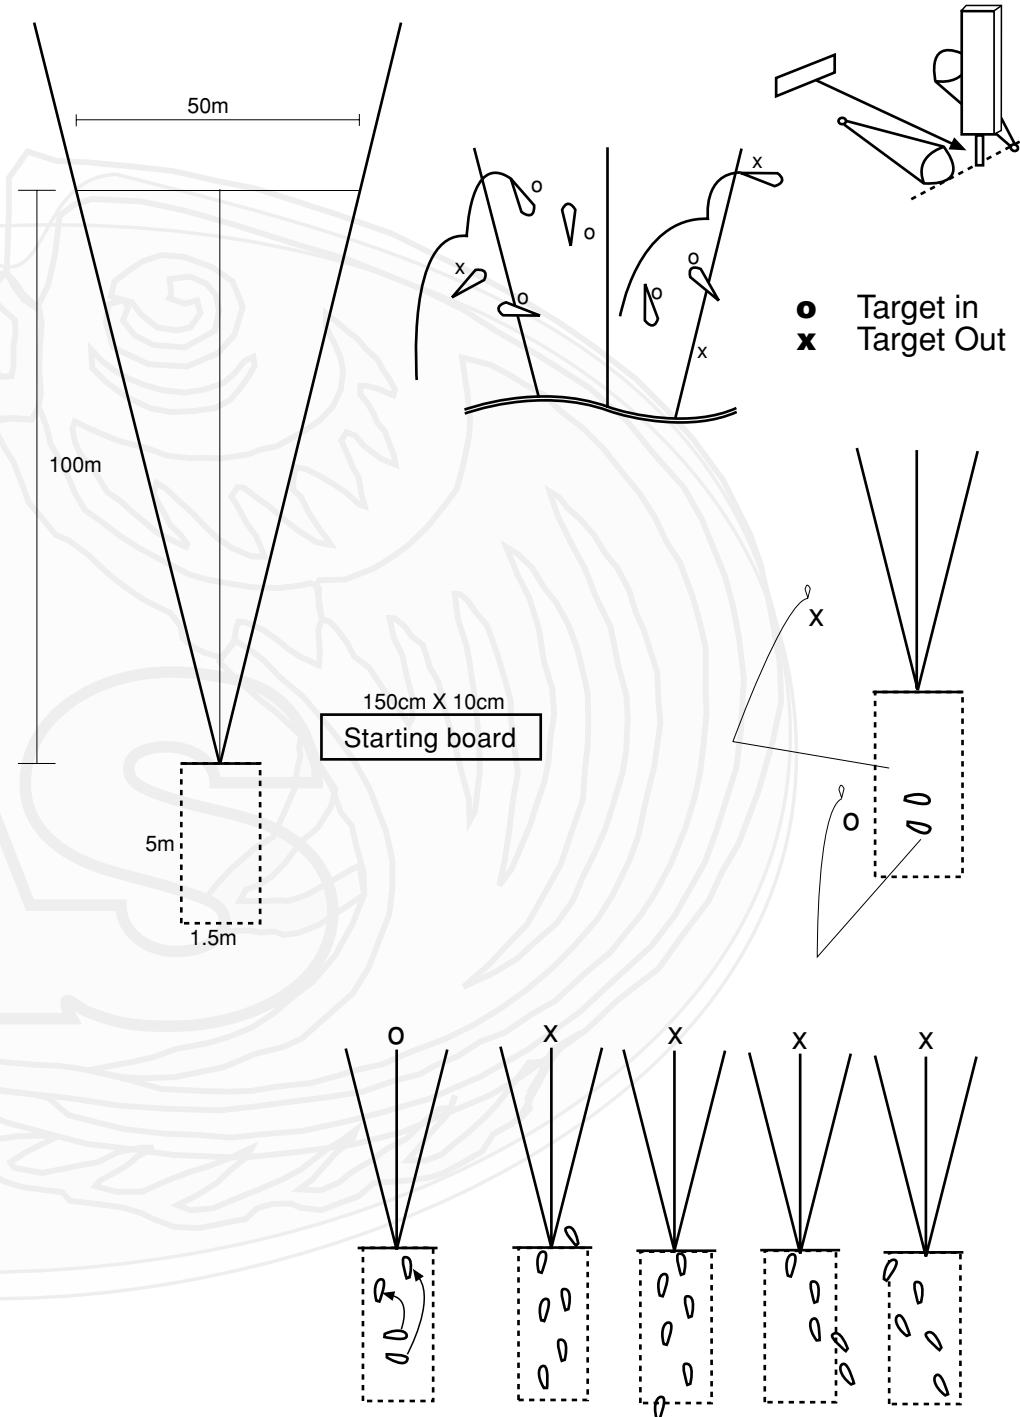

Plug: Same as Plug Accuracy.(7.5 gr. or 18gr plastic, drop-shaped)

Court: At 100 meters distance, the court is 50 meters wide, measured at a right angle to the perpendicular axis from the center of the platform. Starting board, 1.50 meters long and 10 cm high. Color, white. Must keep BOTH feet inside this area during casting.

Casting: Each caster to have 3 casts, one in each round in numerical order.  
 In the event of break away Plug, the caster is allow to change to the balance issued Plug. (e.g. If the caster first cast plug breakaway while using a 18gr. Plug, they can only use the stinted issued balance 7.5 gr. Plug for the second and third cast.)

Time: Every cast must, after the court is declared free by the starter, be delivered within 60 seconds. Total time for the three cast 3 minutes. (The break away Plug changing timing is also included in the 3 minutes. )

Score: Longest cast to win. 1 meter = 1.5 points.

Must keep BOTH feet inside this area during casting.

## **DETERMINING THE WINNER**

1. The winner is the caster who achieves the highest points score in combination of events.
2. If two or more casters have the same points score:
  - a) In all individual events the winner is determined by cast-off in particular event. The result of the cast-off determine the numerical order of the winners, but the original result is scored for the event.
  - b) In this two events the cast-off is decided by the best score in the shortest time. In distance events the casters make another cast.
  - c) Casting order in the cast-off is decided by lot. All cast-off to be cast at the same time and in the same conditions. If there are more casters than courts in any event, the available courts are drawn out to groups with the same number of casters. In all cast-off the scores must not be announced before all the casters have finished their cast-off.
  - d) If two or more casters have the same number of points in any combination, the first respectively, second and third place is shared by the casters.

## **Winning Order**
